## Our vision and mission

---

### OUR VISION

The Town is a progressive, respectful, sustainable local government supporting a connected, flourishing community.

---

### OUR MISSION

We exist to deliver quality services for Claremont today and to build the foundation for the future.

## Purpose of Delegating Authority

Delegations and authorisations are the means by which decision making bodies can access the power to undertake certain statutory functions. A delegation is a conferral of the ability to exercise a power or duty to a person or body from a person or a body that is vested with the responsibility to exercise that power or duty.

### Delegations to the Chief Executive Officer

Section 5.42 of the *Local Government Act 1995* (**the Act**) allows a local government to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act, with the exception of limitations as listed under section 5.43 of the Act.

The following powers and duties cannot be delegated to the Chief Executive Officer:

- Any power or duty that requires a decision of an absolute majority or 75% majority of the local government;
- Accepting a tender which exceeds an amount determined by the local government;
- Appointing an auditor;
- Acquiring or disposing of any property valued at an amount determined by the local government;
- Any of the local government's powers under Sections 5.98, 5.98A, 5.99, 5.99A and 5.100 of the Act;
- Borrowing money on behalf of the local government;
- Hearing or determining an objection of a kind referred to in Section 9.5;
- Any power of duty that requires the approval of the Minister or Governor; or
- Such other duties or powers that may be prescribed by the Act.

### Delegations by the Chief Executive Officer to Employees

Section 5.44 of the Act allows the Chief Executive Officer to delegate any of their powers to another employee and states that this must be done in writing.

The Act allows for the Chief Executive Officer to place conditions on any delegations.

An employee to whom a duty or power is delegated under the Act is considered a 'designated employee' under section 5.74(1) of the Act and is required to complete a primary return within 3 months of receiving the delegated power or duty and an annual return each financial year thereafter.

## Standard Conditions of Delegations

All delegations are subject to the following *Standard Conditions*:

- In exercising a delegation, the Chief Executive Officer is to comply with any and all laws and regulations in force in Western Australia and the requirements of any and all laws and policies of the Town of Claremont;
- In exercising a delegation the Chief Executive Officer is to exercise the delegation in accordance with any budget authority where applicable;
- Delegated authority cannot be exercised where a financial interest or interest affecting impartiality is evident;
- Pursuant to section 5.46 of the Act and Regulation 19 of the *Local Government (Administration) Regulations 1996*, the Office of the Chief Executive is to keep records of exercising the delegation on any and all occasions that the delegation is exercised.

The written record is to contain:

- How the person exercised the delegation;
- When the person exercised the delegation; and
- The persons or classes of persons, other than Council or Committee Members or employees of the local.

## ACKNOWLEDGEMENT OF PEOPLE AND COUNTRY

The Town of Claremont acknowledges the Traditional Custodians of the land and waterways of the Claremont and Swanbourne area. We respect the significance of their connection to the sacred sites, the Derbal Yerrigan and Galbamaanup wetland. We honour the ancestors of our community Elders who survived and cared for this Country.
